

Social Trait Cards

Are you prepared for the Social Era? Use these cards to do a self-assessment of your Social Traits. Complete instructions are available online at www.be-leadership.com

How to use the Social Trait Cards:

- 1) Print this document and cut out the individual cards.
- 2) Reflecting on your own strengths and development areas, order the cards from strongest to weakest.
- 3) Pairing up with someone who knows you, or in silent reflection, consider this ranking. What is one change you can make starting today to become a stronger Social Leader?
